

Alabama Emergency Net Preamble

CQ, CQ, CQ, this is the Alabama Emergency Net. This net meets each Sunday afternoon at 2100Z, or during outbreaks of severe weather and other emergencies. The purpose of the net is to promote the ARES program in the Alabama section, to share ideas and information, pass traffic, and have training and preparedness experience for emergency procedures.

Your net control station this afternoon is _____. My name is _____. I am located in _____, AL. Is there any emergency or priority traffic? {Always pass any emergency or priority traffic first.}

This is a directed net, please direct all communications through net control. Are there any stations with formal routine traffic? When checking into the net, say whether or not you have traffic or any announcements or bulletins, or if you wish to relay any additional check-ins. Are there any stations with announcements or bulletins for the net?

We will now begin taking check ins. Are there any Alabama Section Officers wishing to check in? Are there any stations on frequency for National Weather Service, American Red Cross, County EMAs or County or District Emergency Coordinators, please check in now giving your callsigns slowly and phonetically.

We will now begin taking check-ins by ARES District. Please give your call-sign slowly and phonetically and County as you check in. Are there any check-ins in District ____ which includes the counties of _____?
